At the Scripps Research Institute  
(Beckman Center; 2nd floor conference room)  
10596 North Torrey Pines Road  
San Diego, CA 92037

Web Design: Join us for a look at 3 free  
(and almost-free) platforms to create quick  
interactive prototypes (apps and websites).  
We will also talk about the hot ACM topic:  
'Using Technology to Help People'  
(including Not Impossible Labs, The  
Pedestrian NeateBox, + Jason Becker's  
Vocal Eyes)

Refreshments will be provided!
