IT'S COMING! IT'S COMING!

AN EVENT AT SANDIEGO ACMSIGGRAPH

TENSEGRITY AND IMAGINATION

630 pm: social time 7 pm: presentation

Full members: free

Non-members and Meetup members: \$5

Event limited to 20 people;

please RSVP or sign up on our Meetup page

san-diego-chapter@siggraph.org

At the Scripps Research Institute (Beckman Center; 2nd floor conference room) 10596 North Torrey Pines Road

San Diego, CA 92037

Join us for an interesting presentation by Professor Robert Skelton (UCSD). Discover the fascinating world of tensegrity structures, which almost acrobatically bring forces of tension and compression into balance. What would a tensegrity robot look like?

Refreshments will be provided! http://bit.ly/robert-skelton-ucsd
